

SGS BERKELEY GREEN UTC DIRECTIONS

SGS Berkeley Green, Gloucestershire Science and Technology Park, Berkeley, Gloucestershire GL13 9FB
Telephone 0800 470 1516

// PUBLIC TRANSPORT

Berkeley Green UTC run a network of heavily subsidised buses to enable students to attend easily. All students eligible for the Pupil Premium receive a free bus pass. Other students contribute £130 per term (£400 per year), approximately £1 per journey. The timings shown below are indicative and may be subject to change.

To get here by train: the BG2 bus stops at Cam & Dursley station.

Friday early finish		1420

// BY CAR FROM THE SOUTH

Heading north leave the M5 at J14, follow signs to Berkeley. Turn left to head towards the A38 then right onto the A38 north. Turn off the A38 when sign posted to Berkeley. Travel time from J14 approx. 10 mins.

// BY CAR FROM BERKELEY

Head through the centre of the Town and turn left (effectively straight on) at the end of Canonbury Street. Signs to "Science and Technology Park". The road leads straight to GSTP in approx. 2 miles. At the first roundabout turn left and then straight on over a mini roundabout. Follow the road to the visitor carpark and gatehouse.

// BY CAR FROM THE NORTH

Heading south leave the M5 at J13, follow signs to Berkeley. Turn right to head towards the A38 then left at the roundabout onto the A38 heading South. Turn off the A38 when sign posted to Berkeley. Travel time from J13 approx. 12 mins.

SAT NAV warning!! Particularly from the south your navigation device is likely to try and make you turn off the A38 early and head cross country. This will involve unsuitable small lanes and will take you longer. Our advice is STAY ON THE A38 until you see signs to Berkeley.
