

Berkeley Green UTC – Newsletter

Friday 19th January 2018

Message from the Principal

Dear Parents/Carers,

We have had a really positive start to the Spring Term, with attendance heading in the right direction despite the national flu epidemic. We do however, have concerns with a minority of students who are coming unprepared for study. Please can you ensure that your son or daughter is wearing the appropriate suit and jacket according to the professional dress code and arrive with their correct stationery. We understand that all students have a device yet some are not bringing these in, leading to lost learning time. Please make sure all devices are charged and ready to go each day.

Half of our sixth form are out on work experience. We have had fantastic feedback from employers. We are in the process of organising work experience for Year 10 and information will be coming home to parents next week. All students are halfway through their Allcooper project which continues next week. Work so far shows creativity and ingenuity, both skills that we are keen to develop.

Kind Regards

Paul Ramage

Principal

Celebrations

We have had a great start back to the new year, and we have seen fantastic attitude shown by our students. In year 10 Alfie Lancaster, Charlotte Cartwright and Jake Walker have consistently impressed and have been named students of the week for the past two weeks. Ben Gosling, Joe Jones and Thomas Durn have also demonstrated a consistently outstanding approach to their learning and have been named students of the week in year 12 for the past two weeks. We have also seen a small improvement in attendance over the past two weeks, so thank you for your support with this. We are really looking forward to seeing our UTC ambassadors shine during our open morning on 20th January.
