

# Berkeley road closure notice

The main road into Berkeley will be closed for almost three weeks in April so that it can be resurfaced.

From its junction with the A38, the B4066 in Berkeley Heath will be shut up to the entrance of Cattle Country.

The closure will be in force from April 3 until April 20 while contractors resurface the stretch on behalf of Gloucestershire County Council.

The map below shows the best alternative route from the A38.
